

To Whom It may concern

Nov. 1, 2007

Fuji Electric Device Technology Co., Ltd.
Semiconductors Group

Notification : Surge Absorbers will be phased-out from our products-line

Dear Sirs,

Thank you for your patronage to our semiconductor products as always.

We are now reviewing our products-line from the viewpoint of new business strategy.

Regretfully, we have decided that Fuji surge absorbers will be phased-out from our future products-line.

We appreciate very much if you would kindly understand and agree with our decision which surge absorbers will become to be obsolete products, from the following background.

Additionally, we are advising the schedule to be discontinued finally.

1) Models to be discontinued : All models of Fuji Surge Absorbers

2) Background:

- ① Very low chance of business expansion of surge absorbers
- ② Old and decayed production equipments
- ③ Reviewing the optimized products-line up

4) Schedule to be discontinued:

- ① To be categorized as *Mature products : from November,2007
- ② To be categorized as Obsolete products : from October, 2008
- ③ Last call of order : End of March, 2010
- ④ Last shipment from our factory : End of September, 2010

Taking this opportunity, we would like to express our sincere appreciation for your patronage about Fuji Surge Absorber and we expect your continuous support and help to us.

For more details, please contact to our sales department.
